November 24 and 25
Thanksgiving Break

December 23rd Winter
Break Begins.

A parent-teacher conference is a meeting between you and your child's teacher to discuss your child's progress in school. Parent-teacher conferences happen in elementary, middle, and high schools. This meeting may take place as part of the regularly-scheduled conferences held by the school each year, or your child's teacher may contact you to schedule a meeting at other times during the school year. You can also request a conference with your child's teacher if you have questions or concerns about your child. Contact your child's teacher to set up a meeting.

Title I parent meeting will be held during the 12-3 conference session, please stop in Room 100 for the meeting.

Why go to the conference on November 6th 12-3pm & 4-6pm

Going to the parent-teacher conference provides you and the teacher an opportunity to work together as a team in order to help your child. You each have an important perspective to share — as the parent, you know your child's personality, habits, strengths, and weaknesses. The teacher, on the other hand, has been trained professionally in the best methods of teaching, meeting individual student's needs, how to control classroom behavior, and how to help your child succeed in school. Working together you will be able to find ways that each of you can provide the appropriate and necessary support for your child.

The conference is also an opportunity for you to ask questions about your child's progress, to learn more about the class and what the students are studying, and to find out if your child is having difficulty with anything in particular.

In addition, the more you know about your children's school and classes, the more likely your child will be to talk about daily experiences with you. He or she will appreciate your concern and involvement, and the student will be more likely to approach you with problems.

College Advising

Happy November! Although Michigan College Month is over, the College Advising office is still working hard to bring the best for your students. I hope that starting this month I will be able to interact more with underclassmen, so if your student isn't a senior but knows he or she wants to go to college, encourage him or her to create a game plan and ask me for advice. Last month we had several Michigan colleges and universities come to the school and speak to interested students from all grades about what their schools had to offer. I hope to continue that this month, although with less fervor, and hopefully sprinkle some college visits into the mix! As always, continue to create dialogue with your student about plans for the future, whether it be a four-year college, a certificate program, or something in between, and feel free to reach out to me with any questions. Joanna Doredla, College Adviser doredlaj@wwschools.net

Would you like to join our Parent Involvement Group? Please contact Susan Ransom heiss-ransoms@wwschools.net

Counseling Office

Transcripts can be accessed through www.Parchment.com. Students can view and request transcripts to be sent to post-secondary institutions.

Senior Information

Senior information packets were handed out at the parent information night on 10/12. If you were unable to attend, you can find a copy on our website. There is important information about graduation, Prom and senior year dues inside.

Senior cap and gown pictures are scheduled for **Wednesday November 8th**, in the auditorium. All seniors need to be here for these pictures(it is part of your required senior dues). A schedule will be supplied prior to the day. A cap and gown will be supplied for the pictures. Come prepared as these are your senior yearbook photos.

If you have any questions, please see Mr. Sabatini for information.
